

Community Connections Support Services

Fire Safety Workshop and Fire Extinguisher Training

Community Connections Support Services has partnered with the Creston Fire Department to offer Home Share Providers and the individuals they support a free one hour workshop.

Tuesday @ 9:30am, September 27th, at the Creston Fire Department, located at **200 10th Ave. North, Creston**

Firefighters will provide to those in attendance life saving information, as well, individuals will have an opportunity to use a fire extinguisher.

This one hour training could make all the difference and we encourage you to participate. Please register **by Friday, September 9th** by contacting your Home Share Coordinator:
