

Community Connections Support Services

Fire Safety Workshop

Community Connections Support Services has partnered with the Cranbrook Fire Department to offer Home Share Providers and the individuals they support a free workshop on Fire Safety.

Thursday, November 24th at 1:30pm at the Cranbrook Fire Department, located at **2503 2nd Street South.**

Bill Munro, Fire Prevention Coordinator / Firefighter will provide to those in attendance life saving information.

This training opportunity could make all the difference and we encourage you to participate. Please register **by Friday, November 18th** by contacting James Croston, Home Share Coordinator at:
