

# 5th Annual CCSS BBQ

&

# Recruitment

Dear Home Share Providers,

Once again it's that time a year! Beautiful weather, getting together, great conversations, summer time food, and another way for us to say **THANK YOU** for all you do!

We're trying something different this year. Opening up the event not only to you and the folks your supporting, but your **family members, friends, stakeholders** and **community members** for a more inclusive experience and an opportunity to find amazing Home Share Providers like yourselves!

The recruitment piece will take place from 9:30am to 11:30am, then continue again from 1:30pm to 4:30pm. Coordinators will be set up and ready with written materials to speak to folks who are interested in becoming Home Share Providers. Between 11:30am to 1:30pm. We will be serving everyone lunch!

Please feel free to invite anyone you think would be interested in becoming a Home Share Provider or just wanting to participate in a community social gathering!  
All are welcome!

Please bring your own chairs if you would like to sit and stay awhile!

**Hope to see you there!!!!!!!!!!**
