

**CLBC COMMUNITY COUNCIL  
FAMILY FORUM PRESENTS**

**FAMILY SUPPORT**  
Institute of BC  
*families supporting families*

and  
**familyWORKs**

Tracey has dedicated more the 20 years supporting marginalized and vulnerable families in a variety of contexts. However, Tracey found her passion when she had to rise up and advocate for her daughter to have the same opportunities as her typical peers. These unique experiences have inspired Tracey to create places where families can connect, share resources and recharge.

Tracey is committed to promoting the inclusion of people with disability in education, employment and beyond.
